Legacy is Pink

Dear Legacy Family, Friends, and Fans,

The Virginia Legacy is in full swing and at the mid-point of their seasons. Many teams are finding success and several of our top teams are still alive in the State Cup.

Although the weather hasn't always cooperated, our players are making the most of it and doing so with a positive attitude. As Columbus day approaches, some programs get the weekend off, while others take to the fields to represent the club and the area.

October is Breast Cancer Awareness Month, which is an annual campaign to increase awareness of the disease. While most people are aware of breast cancer, many forget to take the steps to have a plan to detect the disease in its early stages and encourage others to do the same.
